## *34<sup>th</sup> Mid-Atlantic Dollhouse Miniatures Festival*

*Dear Miniatures Artisan or Dealer, Please join us for my 34th Mid-Atlantic Dollhouse Miniatures Festival at a terrific new venue -the **Holiday Inn & Suites in historic Olde Town Alexandria.** Workshops on Saturday, October 14 and the Show is Sunday the 15<sup>th</sup>, 10-5 p.m. This well-located hotel has just undergone a \$10 million dollar renovation and you will love it! The sleeping rooms are terrific. Our was negotiated to \$99 a night, unheard of in Alexandria, for rooms with a choice of two Queens or a King size bed, your choice. Book your room now: Call (703) 548-6300 – press 1 for Reservations and give them our Room Block Code: MMD. That price is being offered between October 13 & 16 in case you want to do some sight- seeing. Historic Alexandria is right on the Potomac, across the river from Washington, DC. Best of all, the hotel is easily accessible for collectors throughout the entire Metropolitan DC area. Reagan National Airport is less than 2 miles away for those who will fly in for the show. This show began in 1983 as a one day show and remained that way for 30 years, and we're returning this year to that format. That old sage David Krupick swore "A one day Show Make\$ More \$en\$e" ...as he always took home more money from my one day show here than he did from most two day shows. And with less expense, vis a vis hotel rooms, parking, meals, etc. Customers come prepared to make their decisions, buy right then and there – and don't dither knowing there will be postage to pay if they go home without it! They decide on the spot what they like/want/need, buy it, then go in search of their next "find"! The hotel's shuttle service will deliver you to King Street where there are terrific shops and restaurants – a great people watching place: 2:15 'til 9:30. They will pick you up at Reagan and return you if you give me your arrival Terminal. South West and Virgin America arrive Terminal A. Delta at Terminal 5 and United and American at Terminal-9. WiFi is Free – as is Parking...when you unload your van, the van parking lot is right there. This show has been a favorite show among artisans, collectors & the merely curious, throughout the Washington DC Metro area for more than 3 decades. Many out of town collectors plan business trips or family visits to coincide with this popular miniatures event! Table linens are supplied but you may bring your own table coverings & lighting. You will receive a form for collecting Virginia sales tax – take it home, fill it out and mail your check w/form to the Sales Tax office address noted! Easy, Peasy! Heavy mailing to our Golden List of great customers, mini magazine ads, & local newspaper ads assure a great crowd. Our devoted customers await your arrival with enthusiasm! And so do I! Call me with any questions. And please let me know immediately if you plan to teach a workshop on Saturday.*
