Students register directly with each teacher

*Upon registration: Send students a list of supplies and tools that you expect them to bring to
class, beyond the supplies and tools that you will provide for your class. If you list "Basic Tool
Box", please identify basic tools that should be in their tool box.

*Acquire each student's complete name, address, phone number and e-mail address. Should an
emergency require that you must cancel your class, it is the teacher's responsibility to contact
each student and return their money before the weekend of the show. Submit this list of names
to ne two weeks before the show and update as needed before your class begins.

Thanks,
Molly
