

Molly Cromwell's Sturbridge 2018

1/4" "Monopoly Room" by Debbie Young

Instead of building a house, let's make some furniture. Join Debbie Young to build a framed, lighted room box containing a Monopoly Themed Family Room. Students will not only build, wire and finish the box, they will cover a sofa and chair with real leather, build a domino covered coffee table, a tall game table with two chairs, a sink and upper cabinet and lots of accessories. It will be a fun day filled with lots of techniques and tips.

Friday 9:00 to 5:00

Class Fee \$95
