

Making Miniatures with your Cricut or Silhouette Cutter

Dorothy Kramer

Saturday, June 1
10:00 – 12:00

Dorothy will take participants through the steps needed to create a design and then machine cut furnishings and accessories in various materials including vinyl, cardstock, and wood. Dorothy will use the cutter to create sample designs and participants will each have one to assemble and keep. She will teach you how to use the print and cut feature to make miniatures as well.

The price of the workshop is \$50 per person.
