1:12 Scale 6 Layer Macaron Cake

\$85.00

Friday 9-5

Join me for a day of cake baking and macaron making! Want to learn how to easily use our silicone molds? How about making 6 layer cakes with texture already in the mix! Drippy chocolate good enough to eat... If so this class is for you! You will get all the supplies in a wonderful cake kit to learn how to use my silicone molds properly, make sliceable textured cakes and build layered cakes.

Already have a macron mold? If you don't want a second, bring your mold to class to use and I will give you credit for a new mold of your choosing!
This class is going to be fun! Bon appetit!
